Leadership in Law Profile: Henry G. Will, Conner & Winters LLP

Angliae or New Statutes of England, which circulated among professional and academic circles.

A Lancastrian Mirror for Princes: The Yale Law School New Statutes of England

The Harvard Law School Library holds a large collection of English works relevant to the history of law and the manuscript as a medium.

Together, these methods amount to a new “prosopography of the book,” shifting from script to print and learned languages to “law English” in the statutes.
