Troilus and Criseyde is an epic poem by Geoffrey Chaucer which re-tells in Middle English the story of the fall of Troy and the love affair between Pandarus, the Narrator, and Criseyde. The poem had an important legacy for later writers, including Chaucer himself. In his poem, Chaucer presents a complex and nuanced exploration of love, politics, and personal morality, challenging the simplistic justifications of chivalry and courtly love. The five books of Troilus and Criseyde, rather than being, as modern critics like to say, a triumph of negative excess, reveal Chaucer's criticism of the world as he knew it, recognizing that in this world, at least, major reform is unlikely. This paper aims at studying Chaucer’s Troilus and Criseyde as an example of the first verse novel because of its characterization, and the concept of point of view. The research problem of this study is to employ the employed to reveal his criticism has been the research problem of this study. However, Chaucer’s poem is important as a medieval work as he creates an epic poem that challenges the justifications of chivalry and courtly love.
