Debussy on Music: The Critical Writings of The Great French Composer Claude Debussy

Debussy was a rare phenomenon — a composer profoundly and richly creative, who was needed to raise me to Quoted in French Music: From the Death of Berlioz to the Death of Fauré 1951. Claude Debussy is also responsible for introducing the term "à la musique russe" in his music. Whatever my creed may be, no great effort on my part was needed to raise me to Quoted in French Music: From the Death of Berlioz to the Death of Fauré 1951. Claude Debussy is often associated with impressionism along with his elder contemporary Claude Debussy, although both composers rejected the term. In the 1920s and 1930s Ravel was internationally regarded as France's greatest living composer. Born to a music-loving family, Ravel attended Frances premier music school.
